## Early Surveillance for Autoimmune diabetes

**Are you a parent/guardian of a child aged  
5-13 years in the West Midlands?**

You are invited to take part in the  
ELSA-1 family interview study.

We want to hear your views on testing and monitoring  
children for type 1 diabetes.

Interviews last 1 hour and are held at a convenient time  
for you, via Zoom, telephone or face-to-face.
